

OLD STUDENTS' ASSOCIATION

The Old Students' Association provides a platform for all the alumnae to interact and to be bonded together. An annual gathering of the old students is organized every year. To keep the bond intact with the College, a competition is conducted for all the alumnae. The association also offers a scholarship for all the final year needy and meritorious students. As part of an activity, a competition is conducted for the outgoing students every year and prizes are awarded. From this, the distinguished alumnae renders their support as guest lecturers and judges and be an active channel of communication between the College and Alumna.
