

NIRMALA COLLEGE FOR WOMEN, COIMBATORE INSTITUTION'S INNOVATION COUNCIL 6.0

Ministry of Human Resource Development (MHRD), Government of India has established "MHRD's Innovation Cell (MIC)" to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). MIC has envisioned encouraging creation of "Institution's Innovation Council" (IICs) across selected HEIs. A network of these IICs was established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.

The primary mandate of Institution's Innovation Council (IIC) is to encourage, inspire and nurture young students by supporting them to work with new ideas, while they are in formative years. The Institution Innovation Council is initiated in 06th March 2021 at Nirmala College for Women (Autonomous) as per the norms of Innovation Cell, Ministry of Education, Government of India to encourage innovative ideas and to upgrade entrepreneurial skills in students.

Institutional Innovation Council focuses on fostering a platform for the students, research scholars and faculty members to begin start-ups in entrepreneurial ventures by providing expertise ideas across globe through Seminars, Conferences, Workshops, Start-up Sessions, Panel Discussions, Symposiums, Exhibitions, competitions etc.

It promotes the creative energy of the students and research scholars and trigger the dormant innovative and inventive ideas to discover and invent new products and proceed for patent rights.

Practices:

- 1) To ensure the proper functioning of the activities of Institution Innovation Council (IIC) and to review the progress of the activities, <u>council meetings</u> are held regularly in every quarter under the guidance of President of IIC cum Principal, Nirmala College for Women, Coimbatore.
- 2) Programs such as <u>lectures/ webinars/ panel discussions/ expert talks</u> are conducted by IIC in time bound fashion as per the Institution Innovation Calendar to promote entrepreneurship in the campus.
- 3) <u>Pitching workshops and boot camps</u> are conducted to invoke strategical flagship among the blooming entrepreneurs.
- 4) <u>Motivational sessions</u> by successful innovators/ start up founders/ entrepreneurs are organized to overcome some common misbeliefs that the young innovators/ entrepreneurs have about initiating their startup projects.
- 5) <u>Orientation and Mentoring sessions</u> are provided for the students and faculties to instill passion and spirit on startup initiatives. Mentoring sessions are presided over by trained Innovation Ambassadors across the nation.
- 6) Initiatives are undertaken to encourage each department to carry out <u>self-driven activities</u> (to plan their own activities as per the guidelines) apart from the IIC calendar activities and submit the report and annexures of the same.
- 7) As per the direction of MIC schedules, <u>MIC driven activities</u> from time to time on its own or in collaboration are carried out.
- 8) <u>Internship drives</u> are conducted for students to put their learning into action in a real-world environment.
- 9) <u>Competitions</u> focusing on theme related to technology-based business solutions addressing to industry or market problems are carried out.
- 10) <u>Celebration or observance of days</u> coined to appreciate the idea of innovation and entrepreneurship.

From Hazel Sidona **Digital Science Solutions** Coimbatore

The Institution Innovation Council Nirmala College for Women Coimbatore

Dear Head of IIC.

Subject: Appreciation for Hosting Guest Lectures on Entrepreneurial Skill Development

I am writing to express my heartfelt appreciation to IIC, Nirmala College for Women for the opportunity to present guest lectures on "Towards Starting and Succeeding as an Entrepreneur," "Journey of a Startup, and "Health and Wellness for Successful Entrepreneurship" during the period between 2022 and 2023. It was an honor to engage with the enthusiastic and talented students of your esteemed institution.

The commitment of Nirmala College for Women to providing its students with diverse learning opportunities is truly commendable. The interactive sessions and the insightful questions posed by the students highlighted their keen interest and eagerness to learn about the entrepreneurial world.

I believe that such initiatives significantly contribute to shaping the future leaders and innovators of our society. To further enhance the valuable experience provided to the students, I would like to suggest the incorporation of practical exposure through real-time projects. Engaging in hands-on projects will not only solidify their theoretical knowledge but also equip them with the essential skills required to navigate and succeed in the entrepreneurial landscape. Practical experience is a crucial component in increasing the success rates of budding entrepreneurs, and I am confident that Nirmala College for Women is wellpositioned to facilitate this growth.

Once again, thank you for hosting these events and for your unwavering dedication to the development of your students. I look forward to future collaborations and opportunities to contribute to the vibrant academic community at Nirmala College for Women.

Warm regards,

A-Hazel Sidena

Dear Sir/Madam,

Aligning with the National and State Mindset regarding Innovation & Entrepreneurship promotion among students, Nirmala College (Autonomous) has registered for MHRD's Institutions Innovation Cell. True Education through Innovation can happen only when students have an environment conducive enough for exploring, questioning assumptions, using imagination and synthesising information. Nirmala College having understood these has embarked on the journey of creating entrepreneurial leaders of value through 'Entrepreneurship through Experiential Learning'.

In an attempt to promote the culture of Innovation and Entrepreneurship among students the college has been organising lecture series, workshops and Conferences in a phased manner, to mention a few:

- Writing a Business Plan
- Business Model Canvas Government Schemes (Startup India/Standup India) & Support Systems for Startups
- Design Thinking
- Awareness on Incubation Facilities
- Intellectual Property Rights and management
- Digital Marketing

These programs along with internal mentors has inspired and motivated several students to envision an alternative career opportunity as an Innovator or an Entrepreneur.

Looking forward to Nirmala College for Women to focus more in creating an Innovator in every student rather than a manager through a systematic entrepreneurship education.

Research projections reveal that one in every Six people worldwide will be entrepreneurs, I wish the Management, Faculty and Students of Nirmala College, to envision the same for their Institution. Wishing the team all the very best in all their Entrepreneurial endeavours.

Thanking You,

Yours in the Cause of Entrepreneurship,

Spl...

(Ms. Siva Poonguzhali)
