## **NATIONAL INNOVATION AND START-UP POLICY (NISP)**

### **SECOND COMMITTEE MEETING MINUTES**

The Second committee meeting of National Innovation and start-up policy with the external experts was conducted on 26.08.2021 via virtual platform. The meeting was presided by Principal cum President NISP Rev. Dr. Sr. Helen, Nirmala College for Women, Coimbatore. The presentation comprising of Short term and long term goals was presented by the NISP Coordinator Dr. A. Sahaya Sudha, Assistant Professor, Department of Mathematics. The panel discussion was welcomed by Mrs. Johny Caroline, Assistant Professor, Department of Chemistry.

The external experts emphasized on various dimension for the short term goals by creating awareness amongst the students and faculty about innovation and to enrol them in innovation and start-up programmes. The experts insisted on ensuring students with sufficient trainings and to provide the outlook of entrepreneurship and innovation areas. Blended learning experience in interdisciplinary research areas was motivated and the students should be stimulated to interact with researchers from various fields. The experts added on conducting intellectual property awareness workshop to enhance student's entrepreneurial skills. The Suggestion for the Long term goals by the experts were to implement and organize professionalism in the startup structure and its functions and the experts, to embrace and enhance the quality of research, collaborating with government and private funding organizations were encouraged. He added on ensuring the success of the programme through effective communication and internal marketing strategies.

The experts insisted on building innovation and ecosystem and to strengthen and maintain the relationship between industry and the institution. The claim of copyrights, trademarks and patent to establish trust on the organization and products should be ensured. The experts shared their experience in developing an incubation center and innovation labs to strengthen the business strategies among students and faculty to channel its outcome towards achieving the mission. The panel discussion of second committee meeting with the external experts and the NISP members ended with the formal vote of thanks rendered by Dr. J. Jacintha Maria Florence, Assistant Professor, Department of Economics.

The NISP team members unanimously decided to work on the short term and long term goals to elevate the entrepreneurial skills of the staff and students.
