On 27.09.2018, Career Guidance and Placement Cell of our college has arranged a session regarding the 'CAREER OPPORTUNITIES'. The resource person was Mr. S. Mahesh Karthik, MSW, PGDCA, Radian IAS Academy, Coimbatore.

Students got a knowledge about the career opportunities and its advantages and disadvantages, how to handle the opportunity stuffs. It gave them a clear awareness on every sector. During the session he focused mainly on how to become an IAS officer? What exam the students have to write? How to apply Government Exams and so on.

It is a dream of millions of young aspirants to become an IAS officer. It is considered to be one of the most prestigious careers in India. A career as an IAS officer comes with various challenges and responsibilities. He or she has the major responsibility of the maintenance of the law and order and provides support to the people during crisis management. One has to clear the Union Public Service Commission Main, Prelims examinations and Interview rounds to be selected for the role of an IAS officer. Further after selection, candidates undergo training at Lal Bahadur Shastri National Academy of Administration. Students from Science, commerce, arts, and humanities background are eligible to become IAS officers.

It was a nice chance for all the students to get up on their career decisions. They found it very easy to choose their own perfect profession at the end.
