**REPORT**

Environmental protection is the practice of protecting the natural environment by individuals, organizations & governments. Main Object of our Rally Program is “Awareness About to Keep Our Environment Clean and Green”. The students assembled around 1.45 pm. The Rally Started 2.00 pm round 300 Students were participated in the rally program. All the Students are Grouped and Forwarded to every Class room and inside the campus to encourage keeping the classrooms and campus clean. Students, Teaching and Non-Teaching staffs were instructed to:

- Avoid Plastics
- Use a mug instead of running the tap while brushing teeth or shaving.
- Use a toilet flush which consumes less water.
- Water your plants early in the morning or late in the evening to reduce water loss due to evaporation.
- Use public transport, stop pollution.
- While watering plants, use a watering-can instead of a running hose.
- For watering plants, use waste water that comes off washing of food items.
- Use a water efficient sprinkler and drip irrigation for your garden.
