Title : The Need of Human Rights for Women in Today's World

Date: 10.12.2015

No. of Participants: 32 students

Human Rights Committee organized a Guest Lecture on 10.12.2015. Sr. R. Jackuline Mary, Advocate, Coimbatore District Court served as the Resource Person and spoke on the topic "The Need of Human Rights for Women in Today's World". The Resource Person highlighted the students on the necessity of awareness about human rights for women in today's world. Attaining equality between women and men and eliminating all forms of discrimination against women are fundamental human rights and United Nations values. Women around the world nevertheless regularly suffer violations of their human rights throughout their lives, and realizing women's human rights has not always been a priority. Achieving equality between women and men requires a comprehensive understanding of the ways in which women experience discrimination and are denied equality so as to develop appropriate strategies to eliminate such discrimination. **32 students were benefitted through this session.**
