**Webinar on**  
**“Fight against Corona 19 Viruses: A Perspective of Medicinal Chemistry**  
**16.07.2021.**

Department of Chemistry organized the first meeting cum webinar of the Energy club on 16.07.2021 through G Suite online platform. Dr. V. Mohanraj, Assistant Professor of Chemistry, Manonmanium Sundaranar University Constituent college, Kanyakumari was the resource person. He delivered a speech on the topic “Fight against the Corona 19 Viruses: A Perspective of Medicinal Chemistry”. He explained clearly about the different types of corona viruses and their binding nature to the proteins. Awareness was given to the students about the chemistry behind the mode of action of drugs against the fight with corona virus. 68 students and 9 faculty members attended the programme.

Expenses

Resource Person : Rs.2,000/-

ENERGY CLUB  
REPORT ON THE CELEBRATION OF  
ENERGY CONSERVATION DAY**

**Program** : Celebration of Energy Conservation Day  
**Date** : 14.12.2021  
**Competitions Conducted** : Collage Making and Exhibition on Working Model  
**Venue** : Open stage Auditorium

Energy Club of PG & Research Department of Chemistry along with Institution Innovation Cell celebrated Energy Conservation Day on 14.12.2021. Dr. Rev.Sr. Helen, Principal, Nirmala College for Women inaugurated the celebration.

As a part of celebration, an **exhibition** was conducted where the working models of the students on Energy Resources were displayed. Students from all the departments visited the exhibition in their free time and learnt about the different energy resources. Judges evaluated the working models and the presentation of the students.

A Collage making competition was also held on the topic "Save Energy, Save Earth". 30 students from various departments have actively participated in the competition, exhibited their talents and won different prizes.

**REPORT ON THE VILLAGE VISIT**

DATE: 08.03.2022

VENUE: KARADIMADAI

Topic: DEVELOPING AWARENESS ON ENERGY CONSERVATION

The Energy Club of the Department of Chemistry initiated the awareness programme on energy conservation in Karadimadai village. Two students along with the faculty visited the village on 08.03.2022. The children in the government school gave us a warm welcome and accepted the information and knowledge with enthusiasm. Pamphlets on energy conservation were distributed to the school children and the women of the village. School students were guided to share the message with their friends, family and relatives about energy conservation.
