Our college aims to equip young women with quality education and life skills that will empower them to establish themselves in all areas of life and to cater to the needs of the underprivileged. "MARCHING WITH HOPE" is the theme for this academic year 2021-2022.

Every year Fresher's Day was held for first-year UG and PG students to get acquainted with the College. COVID circumstances were not an impediment in the face of the students' joy and enthusiasm. Even this year, we were able to organize a fresher's day for first-year students in order to foster a welcoming environment and to stimulate their creative inclinations in order to increase their conscience.
