Independence Day holds a distinct place in the hearts of all Indians. It is a day when Indians all over the country celebrate this day by organising different events. Independence Day is a day when we pay admiration to the freedom fighters who gave their lives for this country's Independence. It is a day where we evoke their huge contribution to the freedom struggle of India. It is a day the country reminiscence the sacrifices of our freedom fighters and great leaders during India's struggle for Freedom. Independence Day brings the feeling of national integrity and patriotism in the heart of all peers. Patriotism is the sense of part and love to one's country.
