Best Practices

Title of the Practice

Learning and creative skills

Objectives of the Practice

i. The Objective Intended

- To assist in acquiring creative skills to write short stories, to compose poems and to write essays.
- To inculcate the traditional culture and civilization in the students.

ii. Principles

Through the task - based approach, the students are constantly participating in the club named “vassi - Nesi” and the students are active in their learning. the teacher is just a motivator in the language learning process and equips the student to be a self learner.

The Context

The students possess varying intellectual abilities learning styles, motivation levels lack of self confidence and concentration and coming from different socio cultural backgrounds is challenging.

The Practice

Teaching materials used in class include recent text books, E – Content , power points and OHP. Students involve in acting Dramas and taking seminars. So that the student can acquire Tamil language skills.

Limitations

This leads to considering the oral practice and reading comprehension is insignificant in the learning process.

Evidence of Success

At the end of each course, the student is able to aquire the knowledge of creative thinking, listening, reading and becomes a vibrant orators and writers.

Problems Encountered and Resources Required

Problem

The following resources would be essential

- Audio visual tools.
- Language labs
- Department library
