CATECHISM AND MORAL INSTRUCTION COMMITTEE

The Catechism and Moral Instruction committee serves as a lighthouse that directs young adults in finding their destiny and purpose of life through scripture and human values. With a mission to touch and transform the lives of students, the committee works in accordance with dedicated staff members of the college. It helps the students to transform themselves as virtuous, spiritual and responsible individuals.

POLICY

1. To aid the students in instilling the spiritual and moral values
2. To foster the students in moulding their character and behaviour
3. To discern the righteous path from that of worldly ways
4. To stress the significance on emotional balance for leading a peaceful and wholesome life
5. To sensitize the students in becoming socially responsible and productive citizens

PRACTICES

1. Every Friday, the first hour is dedicated to catechism and moral instruction classes for Catholic and Non-Catholic students respectively
2. Holy mass and orientation programmes are arranged at the beginning of every new academic year
3. Motivational lectures and personal development programmes are conducted at regular intervals in order to develop the quality of the character, thinking and learning skills
4. Spiritual retreat programmes are organized for catholic students to impart biblical knowledge and Christian values
5. Competitions like DUNAMIS and other in-house programmes are conducted for the students to reiterate the human values and ethics
6. Classroom activities like role plays, screening videos, bible quizzes, debates, interactive sessions, productive games, lectures are practiced to teach them the art of leading meaningful lives
7. In commemoration of festivals and important days, programmes are organized to instill the community spirit among students

OUTCOMES:

1. The mission, vision and theme of the college are comprehended in line with everyday practices
2. Students become self-aware and self-assertive which helps them in framing their goals and principles for life
3. Students become mindful about solidarity, civic duties, respecting law and order, recognizing social diversity and inclusivity
4. Students develop a standard of personal life practices which will help maintain their positive self-image to serve as a role model to others
5. Students grow compassionate towards others and show acceptance of everyone despite their cultural, caste and economic differences
6. Students evolve to be individuals who reflect on their own behavior and take greater responsibility for their own actions
7. Students are prepared to make morally sound decisions and deal with challenges that inevitably arise as they become adults
