STANDARD CLUB

Bureau of Indian Standards (**BIS**), is the National Standard Body of India working under the Ministry of Consumer Affairs, Food & Public Distribution, Government of India. It was established under the BIS Act 2016. It aims in providing Quality, Safety, Dependability & Energy conservation to the ultimate consumer. BIS Coimbatore is the jurisdictional office for operation of Product & Hallmarking Licences for the seven districts, namely Coimbatore, Erode, Tiruppur, The Nilgiris, Salem, Namakkal & Dharmapuri.

In recent years, Standard Clubs are promoted by educational institutions to help improve the schooling experience of students and provide opportunities to better their professional and personal growth. BIS intends to support a varied range of activities by providing learning opportunities to young talents in the field of quality and standardization through mutually beneficial collaboration in the form of Standards Clubs in Educational Institutions. Mentors would have an important role in this activity and would serve as beacons of light, guiding and motivating students to channelize their creativity and enhancing their specific temperament.

POLICY

1. The Standard Club is to channelize the creativity of the students and enhancing their scientific temperament.
2. The club provides a chance to highlight the importance of individual contribution to the society.
3. The club aims at providing quality, safety, dependability and energy conservation to the ultimate consumers.
4. The club educates students about the legislation and policies regarding the standardization, marking and quality certification of goods.
5. The club equips the students with life skills enabling them to lead better lives professionally.
6. This club enlighten the students about quality, standards and standardization which enable the students to improve societal awareness.
