DIVYANGJAN POLICY

The institution has been educating students with disabilities for decades. There have been students with different challenges like visual impairment, deaf and dumb, physically challenged and so on.

POLICY:

1. To admit the students with disabilities and to provide a congenial learning environment
2. To support them in their academics, financially and all possible manner.

PRACTICES:

Admission: College provides admission for the students with varied disabilities.

The programme will be allotted to these students based on their willingness and convenient facilities provided to them in the campus. The student's calibre is reviewed for the selected programme and admission is provided accordingly with meagre weightage given to their secured score in the previous examination.

Teaching Learning:

1. Allotment of regular Classroom (downstairs) for the student to attend her classes.
2. Students are provided with special attention besides the lecture hours.
3. The course materials and lecture notes are provided regularly.

Mentoring:

1. The students are taken care by the Mentors specially in their curriculum, family issues, personal, financial, mental and physical problems.
2. The Mentors recognise their problems and assist them accordingly by suggesting scholarship, extending financial support or a helping in getting a sponsor for them and provide counselling when required.

3. The Mentors help them in choosing the Inter-disciplinary Skilled based courses and Non-Major Elective Courses.

Examination process:

1. The students are provided with convenient seating arrangement in the ground floor during the CIA and End Semester Examinations.

2. The students are furnished with scribe according to their disabilities during their examinations. An extra half an hour is given to them as a motivation to complete their exam successfully.

3. As per the Government Order the students with disabilities are exempted from paying the examination fee.

Other Amenities:

1. Every Block in the campus is constructed with Ramps for easy mobility.

2. The students are provided with wheel chair for their use at the campus.

3. The students are permitted to be dropped at the respective class in Block.

4. A few toilets are user friendly for the students with disabilities.

5. Screen readers are available

6. Pedestrian friendly pathways available

OUTCOMES:

1. Ease of doing the programme

2. Happy stay in the campus
