MOVIE CLUB

Learning from various mediums of expression has become an integral part of education. One such medium is the Movie. Movie club is centred around watching quality films and to learn through interaction and discussion. The activities of the club will encourage students to develop a different perception towards films like story , symbolism , cinematography and presentation.

POLICY

- 1 To draw attention to movies with significant themes.
- 2 To provide opportunity to review films creatively.
- 3 To explore the creative abilities in the field of entertainment.
- 4 To bring informal education into the classroom and create a more meaningful bond with the students.
- 5 To inculcate a sense of watching films collectively among students.

PRACTICES

- 1 Documentary and awareness movies are telecast every month as a part of the club activity and the students are encouraged to watch the same.
- 2 Feedbacks are regularly collected from the students after viewing the movie.
- 3 The members of the Movie Club firmly believe in getting students and peers together to collectively enjoy watching films and strive towards making the process of screening movies a fun and pleasurable experience.
- 4 The events are intended not only to expand their knowledge in the respective field and associated science, but also to impart a cultural value as well as an obligation towards the society they live in.
- 5 The members of the club solely bear the responsibility to provide their expertise and guidance to the students to transmit powerful and creative messages through film.
- 6 The members of the club also put a great deal of effort in setting up the necessary equipment (lights, amplifiers, speakers etc.) which make the screening process a pleasurable experience.
